Property Description

Only a short drive from the amenities of Playa Guiones and Playa Garza, the magic of Hacienda Guiones hits you straight away. Nestled in a tree-lined valley, Hacienda Guiones provides a relaxing and calm backdrop for your dream home. As you approach this lush tree-lined jungle property, you traverse several small bridges criss-crossing over a tranquil stream that is the center piece of this well-conceived project. Nature enthusiasts will love the large lot sizes (all 5000m² and above) that are situated in a stunning, serene valley. With ample green space, including some wildlife corridors, privacy from neighbors is guaranteed. With just 10 generously-sized lots spread over 55 acres of gorgeous jungle, there are 35 acres of designated park land making this project one of the only developments in the area that are dedicated to ensuring each lot has an authentic Costa Rican jungle vibe.
