Property Description

Get ready to be amazed with these unobstructed 360 degree mountain, jungle, valley, and ocean views at this high elevation property. With more than enough room to build two house sites on the main building pad you will enjoy year round sunsets and cool valley breezes. Very conveniently located about 1/2 kilometer from the paved road this property hits on everything you would look for in a property. Purchase the full 22 acres for \$350,000 or the prime building site of 2.5 acres for \$250,000. With a 60 foot waterfall located at the base of this property and tracks of primary rainforest. The upper 2.5 acres of the property are open pasture land which has municipal water and electricity to the property the lower 19 acres gets steep however there is an old logging road that could be re built and used to access the lower part of the property. Here you can farm, build jungle cabins, enjoy the waterfall, or own it as a buffer to re plant native trees.
