Property Description

Lot del Bosque #31 is a 5,000m² terraced lot that is easily accessible and ready for construction (it has access to water and other public services). The lot has three terraces on different levels, all of them with views of the jungle and mountains of the surrounding valley. Surrounded by nature, but just a 5 minute drive to Samara, this is the perfect place to build your dream home. Your privacy and security are guaranteed due to the private access it has, which connects you directly to the main road of the Tarantela finca housing project. The adjacent lot is currently also for sale, which means you will get a better price if you decide to buy both of them. This is a golden opportunity that you should not miss, for visits, video tours and more information contact us today!
