Property Description

This is a unique opportunity to own one of the last ocean-view parcels in the upscale neighborhood of the Hills of Portalon. These parcels are conveniently located between Dominical and Manuel Antonio, with a full-time onsite caretaker and a security guard at the neighborhood's entrance. They are the last six properties in this highly sought-after neighborhood and offer stunning ocean views in an extraordinarily tranquil and private jungle setting. The six properties have access to legal water and a nearby large creek. The properties are a short 20-minute drive to the Quepos airport with a direct flight to the San Jose International Airport. Additionally, the best beach in the area, Playa Linda, is only 10 minutes from these beautiful parcels. The Hills of Portalon is an excellent investment opportunity as a high-end eco-friendly neighborhood. The prices include ownership in approximately 150 acres of your own private biological reserve.
