Property Description

A once-in-a-lifetime opportunity to acquire an operational, turn-key, titled, beachfront hotel in Costa Rica...I know that sounds like a mouthful, but the distinguishing features of this breathtaking property make what is obvious to the eye only a part of the equation. This 35-room boutique hotel is located directly on the beachfront in Playa Potrero, which is sandwiched between the thriving beaches of Flamingo and the soon-to-be Flamingo Marina to the south and the highly successful beachside community of Las Catalinas to the north. This hotel is a staple in the area and known for combining a premier location with fee simple title up to the 50 meter line, as opposed to more common concession property. Fantastic service, casual and fine dining, a beachfront pool and jacuzzi, and a wide range of room options among the 35 available. The hotel has a variety of room types to accommodate guests of all sizes, including a honeymoon suite, deluxe room, deluxe superior, family suite, junior family suite, and standard rooms.
