This charming lot is located on the main road of Playa Junquillal, just a few minutes walk to the Junquillal beach and a few minutes drive to all the beaches around : Playa Honda, Playa Blanca, Playa Callejones, Playa Negra. Its road frontage allows a mixed-use so you can have a successful business on the lot and/or build your beach house. Its location is ideal for both scenarios so pretty much any project would fit this land! A gentle slope allows natural rain water drainage, a few trees makes the land charming and easy to build on....what else do we need... sounds of the ocean and walk to the beach, checked!
