Property Description

There is a city called 'The Best Climate' in Costa Rica. It is a city where the Costa Rican culture is still preserved, a place characterized by its humble, honest and friendly inhabitants. This place is only 40 minutes from the Airport and San Jose Downtown. And 1 hour drive to the most beautiful beaches. Do you know Atenas, come and visit us! This house is expected to be finished in 2 weeks, June 2023, so the person who buys it will literally open this beautiful house built with concrete and precious wood on a 1300m2 plot. The interesting thing about this property is that from the common area you can admire the beautiful landscape while enjoying a barbecue, reading a book or just relaxing with the sounds of nature. A few minutes from the property you can also visit the farmer's market. The property has a parking space under the roof. 2 spacious bedrooms and 2 bathrooms. An open kitchen. And at a price of just \$275,000 it's yours.
