Property Description

This pristine property boasts a stunning forest with towering trees, pristine creeks that meander through the landscape, and vibrant wildlife, including the beloved sloth mother and baby spotted in the forest. With five large building sites, two of which offer mesmerizing ocean views and majestic mountains, this property is a canvas for your vision to come to life. Imagine waking up to panoramic views of the Pacific Ocean, watching the sun rise over the glistening waves, and ending your day with the awe-inspiring hues of a sunset casting a golden glow over the horizon. The views are simply breathtaking, providing a serene and inspiring backdrop for your sustainable living or wellness retreat endeavors. In addition to its natural wonders, this property is a haven for those passionate about environmental protection. With its expansive size and pristine forest, it offers a sanctuary for wildlife, allowing you to be a steward of the land and protect its natural beauty for future generations.
