Property Description

From every room in this home, you will see the spectacular vista over the Whales Tale with three national parks filling the horizon (Corcovado, Isla de Caños, and Bahía Ballena). This beautiful, four-bedroom ocean-view home is just seven minutes from the Uvita beaches, nature tours, whale watching, surfing, and more. It is just five minutes from downtown Uvita where you will find all conveniences such as schools, groceries, medical services, shopping, restaurants, and much more. But, this home is located on the hillside avoiding the noise and bustle of the town. And it is at an altitude to get a spectacular view of the Whale's Tail and fresh daily onshore breezes! Location, location, location!! The property as a rental is in a very upscale community where the nightly rentals are high and also carry the highest occupancy rates. While most luxury homes in this area sit on tiny plots of land, this property has almost an acre with space to either build more or keep your privacy.
