Property Description

Your own private waterfall! This 5087m2 two-tiered ocean and waterfall view lot is located in the gated community of Hermosa Mar Vista in the exclusive bedroom community of Playa Hermosa, Guanacaste. It's one of only two lots left! The lower pad overlooks the only seasonal waterfall in town and is located on the property. Listen to the soothing sounds of falling water from the home you build to embrace it. The upper pad is narrow but boasts a very nice unobstructed ocean view and beautiful gorge and hillside nature views. Only you can build in front of you. Let your imagination run wild here! Build an upper level home with a guest house below. Get creative. We can even help you out with a home designed by our affiliate Fuga Home Designs (fugahomedesigns.com) to give you a contemporary, turnkey property read to live in or rent out for vacation rentals. It's the only property of its kind in Playa Hermosa.
